Dear Mr. Meyer and Mr. Reilly:

RE: Reilly Tar Superfund Site, Request for Approval of Cessation of Well 434

The Minnesota Pollution Control Agency (MPCA) received a request from William Gregg dated April 15, 2005 and received on April 19, 2005 to cease operation of Platteville Aquifer gradient control well W434. This request was also provided to the United States Environmental Protection Agency (U.S. EPA).

This is to notify you that in accordance with Section G.2 of the Consent Decree the MPCA and U.S.EPA are extending the response date by an additional 30 days. A response will be provided by June 20, 2005.

Sincerely,

Nile Fellows
Project Manager
